Department of skill lab

09-02-2019

Skill lab training programme conducted on 6-2-2019 & 7-2-2019 in the presence of Dr.G.Vijay Kumar, skill lab coordinator at skill lab in FM department.

Day 1

Dr.G.Vijay Kumar, Skill Lab Coordinator welcomed & brief introduction about training programme to the participants.

The participants were made familiar with different type of Manikins for Practicing Clinical Skills Such As Cardio-Pulmonary Resuscitation, Neonatal Resuscitation, Virtual Reality Lab, Intravenous Catheter Placement, Bladder Catheterization, Suture Procedure And Demonstration of Labor given by Dr Sreedevi.

Day 2

Training Of participants regarding Life Saving BCLS Skills, emphasizing the Importance of Continuous, High-Quality CPR along with High-Performance Team Dynamics for the management Of Cardiopulmonary Arrest, Acute Dysrhythmias, Stroke and Acute Coronary Syndromes. The session came to end with the closing note by Dr Sreedevi.

Department of skill lab

21-06-2022

Skill lab training programme was conducted on 17-6-2020 & 19-6-2020 in the presence of Dr.G.Vijay Kumar, skill lab coordinator at skill lab in FM department.

Day 1

Training of participants regarding Life Saving BCLS Skills was emphasized. The Importance of Continuous, High-Quality CPR along with High-Performance Team Dynamics for the Management of Cardiopulmonary Arrest was given by Dr.Sreelaxmi. All the participants were made to individually practice and acquire the skill. At the end of the session, the participants were asked to take a test and the evaluation was done by the demonstrator madam.

Day 2

Training of participants regarding Manikins for Practicing Clinical Skills such as Cardio-Pulmonary Resuscitation, Neonatal Resuscitation, Intravenous Catheter Placement, Bladder Catheterization was given by Dr.Sreelaxmi. The demonstrator monitored each participant and in between the session, the teacher posed the questions to check whether the participants were following the session. Dr.Sreelaxmi madam, summarized the two day session and opened the session for Q&A. All the questions were clarified by the madam very patiently. The session ended by the brief note of the program.

Department of skill lab

20-6-2023

Skill lab training programme conducted on 17-6-2020 & 19-6-2020 in the presence of Dr.G.Vijay Kumar, skill lab coordinator at skill lab in FM department.

Day 1

Training of participants regarding parenteral drug administration by using mannequins. All participants are provided hands-on-training using mannequins and were trained in blood sampling and intravenous catheterization by Dr.G.Vijay Kumar.

Day 2

Training of participants regarding suturing and bladder catheterization by Dr.G.Vijay Kumar. First a demonstration was given the teacher and all the participants were given opportunity individually practice the activity. Then, the participants were selected randomly and were asked to show what they have learnt in the session. The session was open for the Q & A. All the questions were patiently clarified by the teacher.

Day 3

Training of participants regarding conduction of labour, mechanism of Caesarean Section, management of post-partum haemorrhage by Dr.G.Vijay Kumar. All the participants were given the task of doing the activity. The questions raised by the participants were answered by the trainer. The session ended by a summary note of the three days activities.
