MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) entered and executed on 09.03.2018

Between

Santhiram Medical College, Nandyal, Kurnool District, Andhra Pradesh
represented by its Principal which expression shall unless repugnant to the context mean
and include its successors and assignees herein after called "The First Party"

And

Rajeev Gandhi Memorial College of Engineering & Technology, Nandyal,
represented by its Principal, Rajeev Gandhi Memorial College of Engineering &
Technology, Nerawada Cross, Nandyal, Andhra Pradesh, herein after called
"The Second Party"

PRINCIPAL
Santhiram Medical College
NH-18, NANDYAL, Kurnool(Dist.)

Through

Mutual cooperation in the area of Education, Research & Medical Health camp programs.

PREAMBLE:

Santhiram Medical College, Nandyal, Kurnool District is a renowned Medical College which was established in 2005 and today stands as a premier institution offering courses UG (MBBS) and PG (MS & MD) doctoral levels. It is affiliated to Dr.N.T.R University of Health Sciences. It is attached 1000 bedded teaching hospital offering tertiary level super specialty care to the populate at very affordable rates.

About RGM

Rajeev Gandhi Memorial College of Engineering and Technology, Nandyal was established on 09.03.1996 by Late Sri P.V.Narasimha Rao, the former Prime Minister of India and Sri N.Chandrababu Naidu, the former Chief Minister of Andhra Pradesh. This institute has been conferred Autonomous status by UGC offering UG & Courses. The UG eligible Courses in the institute are accredited three times by NBA and recently in Tier-I category. The institute has also got accredited by NAAC with A+ grade..

SCOPE OF COLLABORATION

General Scope:

Each institution may offer to the other opportunities for activities and programs such as guest lectures, Biomedical research, exchange of human resource development that will foster a collaborative relationship and also conduct medical camps for them so that they are oriented towards a healthy lifestyle from a young age.

Specific Activities:

The financing of any of the activities mentioned in this agreement shall be dependent on funds and shall be subject to specific agreements by which these activities may be accomplished. The institutions contemplate implementation of programs or activities such as (a) joint educational and research activities; (b) exchange of human resource for research, lectures and discussions; (c) participation in seminars and academic meetings; (d) outreach activities and (e) Medical Health camps programs.

PRINCIPAL
Santhiram Medical College
NH-18, NANDYAL, Kurnool(Dist.)

RENEWAL, TERMINATION AND AMENDMENT

Duration:

This MOU shall remain in effect for period of five (05) years from the last signature on the document (the "Anniversary Date") unless either institution provides the other written notice of its intention to discontinue no less than 60 days in advance of the current Anniversary Date.

Extension and Renewal:

The institution may extend or renew this MOU by agreement, confirmed in a written amendment signed by the authorized signatory at each institution.'

Amendment:

No amendment of the terms of this MOU will be effective unless made in writing and signed by each institutions authorised signatory.

GENERAL MATTERS

Binding Obligations:

This MOU is not intended to create any legally obligations but rather, it intended to foster genuine and mutually beneficial academic collaboration.

Authorised Signatories:

Each institution represent that the individuals signing this MOU have the authority to sign on its behalf in capacity indicated.

PRINC.
Santhiram Medical College
NH-13, NANDYAL, Kurnool(Dist.)

Whereas it has been the concern of the “Second party” that the school children must be healthy and active to do well in their academics and physical activity.

The following agreements were made between the parties.

1. The health checkup of school children shall be done at free of cost by deputing doctors and paramedics once in a year and assist the school in the case of emergency.
2. The school children who are unable to cope up with their routine work are identified. If such children show any signs of depression, they may be counseled by the doctors of Psychiatry department after obtaining written informed consent from their parents/guardian.
3. The food menu is chalked out by both the parties for the availability of balanced diet to the growing children.
4. The two parties will take care for the healthy growth of the children.
5. The first party will benefit in the form of exposure of their interns (both UG & PG) under the supervision of specialized doctors (pediatricians) to large number of children.
6. This agreement is to develop and promote the above mentioned activities and does not have any legal binding.
7. This agreement is valid for a period of **Ten (10)** years from the date of signing and it could be extended and / or cancelled within the agreement period based on mutual concern.
8. This memorandum of understanding will be expiring if both sides don't make the extension of MOU at the end of the period. Either party with a minimum of 30 days prior notice can terminate this agreement. However the assignment taken will be completed at free of cost.

MEMORANDUM OF UNDERSTANDING

This memorandum of Understanding (MoU) entered and executed on 24.02.2010

Between

Santhiram Medical College, Nandyal, Kurnool District, represented by its **Principal, Dr. S. Nagaraj M.D.**, which expression shall unless repugnant to the context mean and include its successors and assignees herein after called “The First Party”

And

The Nandyal Public School, Nandyal represented by its **Principal, The Nandyal Public School, Nandyal-518501, Kurnool Dist., Andhra Pradesh** herein after called “The Second Party”

Whereas it has been the concern of the “Second party” that the school children must be healthy and active to do well in their academics and physical activity.

The following agreements were made between the parties.

1. The health checkup of school children shall be done at free of cost by deputing doctors and paramedics once in a year and assist the school in case of emergency.
2. The school children who are unable to cope up with their routine work are identified. If such children show any signs of depression, they may be counseled by the doctors of Psychiatry department after obtaining written informed consent from their parents/guardian.

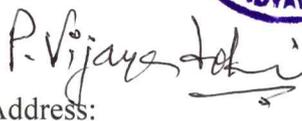

3. The food menu is chalked out by both the parties for the availability of balanced diet to the growing children.
4. The two parties will take care for the healthy growth of the children.
5. The first party will benefit in the form of exposure of their interns (both UG & PG) under the supervision of specialized doctors (pediatricians) to large number of children.
6. This agreement is to develop and promote the above mentioned activities and does not have any legal binding.
7. This agreement is valid for a period of Five (05) years from the date of signing and it could be extended and / or cancelled within the agreement period based on mutual concern.
8. This memorandum of understanding will be expiring if both sides don't make the extension of MOU at the end of the period. Either party with a minimum of 30 days prior notice can terminate this agreement. However the assignment taken will be completed at free of cost.
9. IN WITNESS WHEREOF, the parties here to have caused this agreement to be duly executed on the day and year first herein above written

PREAMBLE:

This MOU establishment with the view of promoting cooperation in training, collaborative research and sharing of professional knowledge between **Santhiram Medical College, Nandyal** and the **Aravind Gastro & Liver Clinic, Kurnool**, Andhra Pradesh, establishes a basis for their further cooperation. The parties wish to explore and establish a basis for their further cooperation in the areas of mutual interest and agree as follows.

SCOPE: Both parties contemplated professional horizon through:

- ✚ Guest Lectures
- ✚ Collaborative Research
- ✚ Training
- ✚ Seminar, Conferences & Workshops
- ✚ Placements

Specific activities and programs implemented under the authority of this MOU shall be subject to the availability of funds and the approval of each party authorized representative.

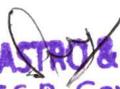

SEPARATE AGREEMENTS:

Prior to initiating any specific activity or programs, the parties will negotiate and enter into a definitive agreement, signed by each party's authorized signatory, describing the terms of the arrangement, including but not limited to financial commitments, academic freedom commitments, immigration, and compliance obligation and details of the exchange or collaborative relationship.

This MOU is not intended to create any legally binding obligation on either institution but it is included to facilitate discussions regarding general areas of cooperation.
