## Annual Report on Campus Placements for the year 2022-23

Santhiram Medical College placement cell is in continuous practice of guiding UG interns and final year PG students through their career path by providing them with proper training and placement opportunities by the time their course is completed. Through the Placement Cell, highest number of passing out students (39 out of 106) was recruited by Santhiram Medical College and General Hospital. Apart from our in-house requirement, other students were recruited by various hospitals through the campus placement drives conducted at Santhiram Medical College. The alumni of our college has guided our outgoing students (UG/PG) through career guidance sessions and also have given job references which is very fetching for young budding medicos at the entry point into a full fledged medical profession. The total number of UG and PG students from Santhiram Medical College being recruited through campus placements for the academic year 2022-2023 is **106** which is incredibly good. . The highest package offered was 4.08 LPA and the lowest being 3 LPA. The details of recruitment is as follows:
