6.2.2 Implementation of E-Governance Policy in areas of Operation:

In an era of rapid technological advancement, SRMC has embraced e-governance as a fundamental pillar, revolutionizing administrative efficiency, academic transparency, and overall institutional effectiveness. The integration of cutting-edge digital technologies across various facets of the institution has propelled it towards achieving and surpassing the rigorous standards set by the National Assessment and Accreditation Council (NAAC).

1. Website of the institute

Education institute websites serve as a central hub for disseminating information about the institution, including its history, mission, vision, academic programs, faculty profiles, facilities, admission procedures and Upcoming events. Prospective students, parents, alumni, and other stakeholders can easily access this information online. The official college website- <http://santhirammedicalcollege.com/> is maintained by the technical committee which includes Principal, examination incharge and academic incharge and IT wing which is updated regularly with the consent of the Principal/Dean

SRMC website plays a multifaceted role in supporting various aspects of institutional engagement. SRMC regularly updates and maintain its website to ensure accuracy, relevance, usability, and compliance with web standards and accessibility guidelines.

2. Academic Planning and Development:

The implementation of comprehensive academic management systems has transformed the educational landscape at SRMC. These systems encompass digital tools for curriculum planning, scheduling, assessment, and student performance analysis. The integration of Learning Management Systems (LMS) has revolutionized the delivery of course content, fostering interactive and engaging learning experiences.

Every class room is equipped with digital projectors with seem less internet connectivity to embed latest upgrades in medical field in to the classroom curriculum

SRMC is equipped with digital seminar halls and digital library where students can access to the numerous e journals and keep them up to date with global advancements in medical field.

The institution has digitized its library resources, granting students and faculty access to an extensive array of online journals, e-books, research papers, and scholarly databases. Additionally, digital research platforms and collaborative tools have been introduced, promoting and facilitating research initiatives across various disciplines.

The library has embraced ILMS Koha, an Open Source Integrated Library Management System (ILMS) software, to streamline its operations and enhance user experience with the following features

- a. RFID staff station
- b. RFID tags
- c. RFID check in/check out kiosk
- d. RFID security gate
- e. RFID interface software
- f. RFID smart card

SRMCDU has a hallmark feature of the library's commitment to accessibility is the web link provision of the YSR University of Health Sciences MEDNET system, extending its reach to all undergraduates, postgraduates, and faculty through the HIS system. This strategic integration opens up a realm of possibilities for library users. Catalogue searching becomes a breeze, with options to explore resources by author, title, subject, or ISBN number, ensuring a user-friendly experience that caters to diverse research needs.

Delving deeper into the digital repository, the e-resource option unveils a treasure trove, including e-books, dictionaries, and an e-newspaper directory, catering to the multifaceted learning requirements of the medical community

3. Administration:

The institution boasts a robust digital infrastructure comprising high-speed internet connectivity, secure networks, and state-of-the-art hardware and software systems. This backbone supports seamless communication, collaboration, and data exchange among faculty, staff, students, and external stakeholders.

E-governance initiatives have automated and streamlined administrative workflows, including admission processes, fee payments, academic record management, and human resource functions. This has not only minimized paperwork but has also significantly reduced processing times, enhancing operational efficiency and accuracy.

iii) WEBSITE SOFTWARE

The screenshot shows the website interface for Santhiram Medical College. At the top, there is a navigation bar with links for HOME, ABOUT, DEPARTMENT, ACADEMICS, INFRA, ADMISSIONS, GALLERY, FACILITIES, and GOVT APPROVALS. The main header features the college's name, recognition by the National Medical Commission, and affiliation with Dr. Y.S.R. University of Health Sciences, Andhra Pradesh. A prominent banner image displays a modern hospital interior with medical equipment and a patient bed. Below the banner, a text block states: "HAVING MORE THAN A DECADE OF EXPERIENCE IN WORLD-CLASS MEDICAL EDUCATION WITH STATE-OF-THE-ART TEACHING INFRASTRUCTURE SANTHIRAM MEDICAL COLLEGE STANDS OUT AS ONE OF TOP 10 MEDICAL COLLEGES IN SOUTH INDIA." The Windows taskbar at the bottom shows the time as 11:41 PM on 07-03-2024.

This screenshot is similar to the one above, showing the same website interface. The main banner image is replaced by an exterior view of the Santhiram Medical College building, a large, multi-story structure with a central dome and arched windows. The text below the banner remains the same: "HAVING MORE THAN A DECADE OF EXPERIENCE IN WORLD-CLASS MEDICAL EDUCATION WITH STATE-OF-THE-ART TEACHING INFRASTRUCTURE SANTHIRAM MEDICAL COLLEGE STANDS OUT AS ONE OF TOP 10 MEDICAL COLLEGES IN SOUTH INDIA." The Windows taskbar at the bottom shows the time as 11:43 PM on 07-03-2024.
