**Report:**

Code of Conduct Training Program for Teaching Staff was conducted on 05.6.2022 between 2.00.pm to 3.00.pm at Santhiram medical college and General Hospital lecture gallery-II, Around 34 staff were attended the program. Code of conduct training is one of the essential elements of a comprehensive ethics and compliance program which ensures the knowledge of organization's mission. Core values and behavioral expectation to foster a healthy work culture in employees.

HR Department has conducted this program under the guidance of principal, SRMC & GH where the employees were given a full tour of the vision, mission of the institute along with the duty timings, rules/etiquette to be followed during the work hours. Apart from what expected from the employees the session also covered about the facilities offered to the employees along with the details of committees available for ensuring the proper conduct within the institute and process of addressing the deviations if any.

Program was more of interactive with active participation of the participants and resource persons were very happy in clarifying the doubts and welcoming the newly joined employees.
