**Brief History & Background:**

Hands that serve are holier and service to society through education brings enrichment and enlightens the society. With a keen interest to promote medical education and provide quality medical services and with a motto of “EDUCATION FOR SERVICE” Santhiram Medical College and General Hospital was established. College have excellent faculty comprising highly qualified Professors, Doctors and trained manpower to impart quality health care. Hospital has round the-clock duty doctors available in the campus. Hospital caters not only to Nandyal district but also parts of Kadapa, Prakasham, Chittoor and Anantapur districts.

Santhiram Medical College started its academic year in 2005-06 offering M.B.B.S, Course with an annual intake of 100 seats. In that historic year, the institute welcomed 100 budding young medicos, both men and women. PG Courses (MD/ MS) in various specializations was introduced from the academic year 2011. Since then, our cohort size has grown and now we welcome each year 150 or more aspiring young doctors, who will be working with and learning from some of the best talents in medicine and healthcare. Since its inception, this institution has been performing exceptionally good to meet its goal of providing quality medical education and healthcare service to the society.

**VISION:**

To impart medical education with Academic excellence and practice medicine ethically in line with global standards. To produce Doctors from Rural India with high morals, ethics and professional standards and enrich their acumen in medical field and inculcate compassioned health care and finally attain this institute as a deemed to be Medical University.

**MISSION:**

M1: To impart world class quality health care and medical education

M2: To provide in hand experience to students and train them with knowledge and skills.

M3: To inculcate values and ethics.

M4: To identify hidden talent and provide opportunities to students to realize and utilize their full caliber.

M5: To nurture the students into future leaders, entrepreneurs and good human beings
