STAKEHOLDERS (TEACHER'S) FEEDBACK ANALYSIS REPORT FOR THE ACADEMIC YEAR: 2022-23

OBJECTIVE OF FEEDBACK

The institution aims to the best possible environment and learning experience to encourage students to perform their full potential for academic achievement. Stakeholders ie, students, teachers, employers and alumni play an important role in the evaluation and enforcement of quality of this learning process.

Hence, the institution collects feedback on curriculum from all the stakeholders every academic year to evaluate its service policies which can be revised and make changes as per stakeholders requirements.

TEACHERS FEEDBACK ON CURRICULUM:

Teaching faculty being most important person in curriculum design, implementation and thus feedback of teachers on curricular aspects are utmost importance.

Teachers feedback on curriculum was collected individually.

Teachers Feedback Analysis on Curriculum

Santhiram Medical College has a practice of receiving opinions and taking feedback by all stake holders on curriculum of the programs offered as per University guidelines to upgrade the quality of education and increase chances of employability of its students. Being a valuable stakeholder, please provide your opinion & suggestion. Teachers' inputs will be of great use to the institute in improving the quality of our academic programs and to augment the reputation of the Institute. Thank You for your time and valuable response.

Student Feedback Analysis on Curriculum and Syllabi

STAKEHOLDERS (STUDENTS) FEEDBACK ANALYSIS REPORT FOR THE ACADEMIC YEAR: 2022-23

OBJECTIVE OF THE FEEDBACK

The institution aims to the best possible environment and learning experience to encourage students to perform their full potential for academic achievement. Stakeholders i.e., students, teachers, employers and alumni plays an important role in the evaluation, development and enforcement of quality of the learning process. It's a regular practice of the Institution to collect feedback from the students on the curriculum and syllabi.

Hence, the institution collects feedback on curriculum from all the stakeholders every academic year to evaluate its service policies which can be revised and make changes as per stakeholders requirements.

STUDENTS FEEDBACK ON CURRICULUM:

The student feedback is on curriculum designed to get formative feedback from students that can be used towards the improvements in the quality of course design and delivery, as well as student learning experiences.

In the academic year 2022-23, the Institution collected the feedback from around 100 students of different streams. The data was analysed and their suggestions were considered for discussion in the Board of Syndicate meeting of DR Y.S.R University of Health Sciences for possible incorporation in the curriculum and also to plan the schedule in the following years to fulfill the suggestions.

ANALYSIS:

The students feedback on curriculum was collected from MBBS, PG groups at the end of their academic year.

STUDENT FEEDBACK ON CURRICULUM AND SYLLABI

SUMMARY

This institution is affiliated to DR.Y.S.R University of Health Sciences, Vijayawada and the college academic curriculum is designed by the Board of Studies of the University. The Board of Studies prepares the curriculum by taking suggestions and remarks from the affiliated college's thorough conducting meetings with the Principals before preparing the Blueprint of the curriculum.

The institution obtains feedback on the curriculum from various stakeholders. The Students feedback is collected and analyzed at Curriculum Committee meetings in the institution.

Based on feedback requirements, institution planned to conduct the following programs

- To arrange programs on communication skills.
- To conduct programs on Hospital infection control, clinical nutrition, advanced techniques in clinical chemistry
- To organize programs on research writing and Biostatistics.
- To arrange training programs on Yoga.
- To arrange training programs both by Academicians and Industry experts
- To expose students to the latest developments and advances in various relevant fields
- To conduct special mock tests covering the entire syllabus to enable the students to perform well in placement interviews, counseling and the need for career guidance were insisted.
- Recommendations and proposals about the curriculum were conveyed by the Principal to the University through attending meetings at the University (as some faculty are Members of Board of Studies).
